- (5). Students, faculty, and staff shall obtain the initial College identification card at the cost of the College. Replacement cards are the responsibility of the high school or School District.
- (6). With the prior written approval of the Vice Provost of Educational Partnerships, or designee, which approval will not be unreasonably denied, conditioned or delayed, College shall allow the School District to make non-structural, temporary modifications to accommodate the installation of personal property, trade fixtures, equipment and other temporary installations in the ECHS/P-TECH office, provided that such modifications do not impact the structural integrity of the College's building and do not unreasonably detract from its uniformity or dignity. All personal property, equipment, trade fixtures and other temporary installations, placed or installed in the ECHS/P-TECH shall remain the School District's property free and clear of any claim by the College, provided that same may be removed, on termination of this ILA, or earlier as may be necessary, without damaging the College's property, reasonable wear and tear excepted. Both Parties shall have the right to remove the same at any time during the term of this ILA. Upon termination, cancellation, or expiration of this ILA, the School District shall have sixty (60) days to remove all its personal property and equipment from the ECHS/P-TECH office. The School District shall return college property in good condition less reasonable wear and tear.

L. Scholarship, Tuition, Textbooks and School Supplies:

- (1). Dual Credit scholarships and tuition shall align with the Dual Credit Tuition and Fee Guidelines (Attachment E). If THECB and/or Dallas College adopt new Guidelines during the term of this Agreement, these new Guidelines shall take precedence over the previous Dallas College Guidelines. College will promptly provide High School with a copy of any new or revised Guidelines. The tuition fee structure applies to all (first and subsequent) dual credit course enrollment for courses listed within Attachment B of this Agreement for which they receive joint credit under the Texas Education Code. Dual Credit Scholarships are not available for high school students enrolled in college courses where only college credit is awarded. The property address of the high school is used to determine placement on the fee schedule.
- (2). The ECHS/P-TECH or the School District will be responsible for the cost of books, materials, access codes, required course supplies, equipment, and liability insurance if applicable. The Dallas College Guidelines for Dual Credit Learning Materials (Attachment F) outlines the Dallas College learning material provisioning process and fee structure.
- (3). Learning materials and classroom textbooks shall be determined by the College faculty and made available online and/or in a College bookstore prior to the start

of classes. Students who enroll for Dual Credit courses must use the most current learning materials and textbooks as reasonably approved by the applicable College Academic School. High schools will ensure parents are informed of student access to collegiate-level learning materials. Enrollment in dual credit implies parental consent related to student access to all required instructional and learning materials.

- (4). Based on the mutually agreed upon curriculum aligned plan, College approved textbooks, syllabi, course curriculum and course outlines, applicable to the courses when taught by the College or other instructional venues, shall apply to the courses available under this ILA.
- (5). Based on the mutually agreed upon curriculum aligned plan, all textbooks, and supplemental materials required for classes shall be provided by the ECHS/P-TECH.

M. Payment of Services: During the term of this ILA, the College may commence providing educational services during an academic term that does not coincide with the beginning date of this ILA. This is because some portions of the Dual Credit courses are or may be taught utilizing high school teachers. In the event the School District's teachers are used to teach Dual Credit courses, College agrees to pay for such Dual Credit instructional services for Dual Credit Courses contemplated by the dual credit service agreement with the School District, in accordance with Attachment C.

N. Recruitment and Enrollment of Students:

- (1). The School District staff will recruit eighth graders annually utilizing a recruitment plan with input from all stakeholders (examples include the School District, ECHS/P-TECH, College) that include regular activities to inform all stakeholders of the opportunity for a qualified student(s) to attend an ECHS/P-TECH. The recruitment plan will be shared with the College prior to recruitment process for the new cohort.
- (2). College will assist and participate with recruitment, enrollment, and retention, as necessary, for all students who are qualified and wish to enroll in the ECHS/P-TECH.
- (3). Should the number of qualified applicants (target student population defined on page 1, paragraph 3) exceed the number of available spaces, a weighted lottery will be used to determine the ninth-grade cohort.

O. Instructional Calendar: College and the School District will establish an instructional calendar that is consistent with the mutual needs and requirements of both Parties.

- P. Code of Conduct:** Misconduct, behavioral problems, and disciplinary measures resulting from violations of the College Student Code of Conduct should be reported in writing to the ECHS/P-TECH administrator. Disciplinary action shall be taken, as necessary, by the School District and the ECHS/P-TECH Principal in coordination with the College Student Discipline officer. In addition, the College may elect to dismiss or withdraw students from the College who disrupt the learning environment or have repeated and/or excessive disciplinary infractions in dual credit courses and/or at the college campus. ECHS/P-TECH students, faculty and staff shall adhere to all applicable policies of the School District and College.
- Q. Media and Public Relations:** Media and public relations regarding the ECHS/P-TECH will be managed according to School District and College protocols.

The College Campus Title IX Coordinator shall address any complaint of unlawful discrimination or retaliation based on any protected category and/or any complaint of sexual misconduct, whether occurring on or off campus; between students, faculty, and staff; or between non-affiliated persons participating in a Dallas College sponsored program or event, including the Dual Credit program. All faculty teaching Dual Credit Courses must participate in Title IX Compliance training, either through a training program available through the College. Subject to FERPA, neither College nor High School may disclose information contained in Student records received from the other Party to a third party without prior written consent from the Student or the Student's parent/legal guardian. College and High School must destroy any Student information received from the other Party under this Agreement when such Student information and records are no longer needed for the purposes contemplated under this Agreement. Should the Parties enter into any type of Data Sharing Agreement for purposes of facilitating the Dual Credit program, then any return or destruction of Student records shall be done in accordance with such Data Sharing Agreement.
- (4). **Texas Public Information Act ("TPIA").** College is obligated to strictly comply with the Public Information Act, Chapter 552, Texas Government Code, in responding to any request for public information pertaining to this Agreement. High School acknowledges that the College may be required to provide a copy of the fully executed Agreement and any all exhibits thereto in compliance with the Texas Public Information Act.

7. Liability of Parties: Without waiving any defenses including governmental immunity, each Party to this ILA agrees to be responsible for its own acts of negligence, which may arise in connection with all claims for damages, costs and expenses to person or persons and property that may arise out of or be occasioned by this ILA or any of its activities or from any act or omission of any employee or invitee of the Parties. The breaching Party shall have thirty (30) days to cure the alleged breach from the date it receives written notice of the alleged breach. If the breach is not cured, termination is immediate. However, if breach occurs during the academic term and is not cured during the term, students enrolled in classes under this ILA will be allowed to finish their coursework without penalty.
