Fresh Start Initiative for Defaulted Borrowers:

Under Fresh Start, all borrowers with eligible defaulted federal student loans will receive important benefits available to borrowers in good standing for the duration of the initiative. This initiative enables borrowers with defaulted student loans to regain Title IV HEA federal student aid eligibility. If your loans qualify under the Fresh Start program, you **must** make long -term payment arrangements with the Department of Education or your guaranty agency. Once you have resume payments, you **must** remain current with your payments. Failure to do so will result in collection on the defaulted loan(s) where full payment on the loan(s) may be due.

Acknowledgement:

I, _____, understand that I am eligible for Title IV aid as a result of the Fresh Start Initiative. As a Fresh Start eligible borrower, I understand that I am accepting Title IV HEA federal student aid during the Fresh Start period. I am agreeing to have my defaulted loans transferred to a new loan servicer-the company that will manage my loan-which will result in continued Title IV HEA student aid eligibility beyond the Fresh Start period. I understand that this transfer may not occur immediately and that I can contact the holder(s)of my defaulted loan(s) to request transfer sooner.
