The U.S. Department of Education indicates that you have attended multiple colleges/universities over the last four academic years. This is considered an unusual enrollment history. You must submit this form and required documentation to the financial aid office to determine your financial aid eligibility.

Official transcripts from all institutions attended between 2020-2024 will need to be submitted to the Admissions Office. Please contact Admissions at studenttranscripts@dallascollege.edu to discuss preferred method of transcript delivery.

Please read below and check the statement that applies to you.

___ I received academic credits from all the institutions that I attended during the past four award years (2020-2021, 2021-2022, 2022-2023 and 2023-2024) as confirmed by my official academic transcripts.

___ I did not receive any academic credits from one or all institutions that I attended during the past four award years, (2020-2021, 2021-2022, 2022-2023 and 2023-2024).

If you did **not** earn any academic credit at a previously attended institution including Dallas College, you **must** attach to this form a typed statement explaining why you failed to earn academic credit. You **must** submit a separate typed statement for each institution(s) which you attended and failed to earn academic credit. Attach any relevant supporting documentation (i.e. medical records, doctor’s statement, police report, obituary, etc.) to support your claim.

***Copies of transcripts from all schools attended from 2020 – 2024 must be attached and can be either official or unofficial. A letter may also be attached to explain any classes attempted but not successfully completed.**
