Direct Subsidized and Unsubsidized Aggregate Loan Limits:

The aggregate limits below represent the lifetime maximum you can borrow from any school. The figures include both Direct Subsidized and Unsubsidized Loans and any subsidized and unsubsidized Federal Stafford Loans received through the Federal Family Education Loan (FFEL) Program.

Dependent Undergraduate Student	Independent Undergraduate Student
\$31,000 for dependent undergraduate (no more than \$23,000 may be subsidized)	\$57,500 for independent undergraduate (no more than \$23,000 may be subsidized)

Please select one:

☐ I am close to reaching my aggregate limit for my grade level. I understand that aside from the aggregate limit requirement, I must meet all other requirements to qualify for a Direct Subsidized or Unsubsidized Loan.

☐ I have exceeded my aggregate limit. I understand that I am not eligible for Title IV Subsidized and/or Unsubsidized aid until I have made satisfactory payment arrangements with the guarantor.

By signing below, I certify I have read and understand the information provided above about the Federal Direct Loan Program.
