

2026-27 Loan Discharge for Borrowers with Disabilities

Page 1 of 2

WHY YOU RECEIVED THIS FORM

Federal records show that a prior federal student loan or TEACH Grant service obligation was discharged because of a total and permanent disability (TPD). This does not restrict your eligibility for grants, scholarships, or Federal Work-Study. Additional steps apply only if you want a new Federal Direct Loan.

Complete the acknowledgment in Section 3. Page 2 is required only if Dallas College does not already have the one-time physician certification in your student file.

BEFORE ASKING A PHYSICIAN TO COMPLETE PAGE 2

Check your Workday action item or contact Financial Aid. A physician certification is obtained only once and retained in your file. A separate physician letter is not required.

3 Borrower acknowledgment - required only when requesting a new loan

I understand that any new Federal Direct Loan I receive cannot later be discharged based on an injury or illness that is present when the new loan is made, unless that condition substantially deteriorates and I again become totally and permanently disabled.

☐

I acknowledge and agree to the statement above.

4 Student certification and signature

I certify that the information on this form is true and complete. I understand that Dallas College will review my federal loan history and may contact me if additional clarification is required.

IF YOUR PRIOR DISCHARGE WAS WITHIN THE THREE-YEAR MONITORING PERIOD

If the discharge was based on an SSA determination or medical certification, the previously discharged obligation may need to be reinstated before a new loan can be received. A VA-based TPD discharge is not subject to this reinstatement requirement. Dallas College will review your NSLDS record and provide next steps.
