

2026-27 Selective Service Statement

Complete, sign, and upload in Workday

WHY THIS FORM IS REQUIRED

Texas Education Code §51.9095 requires a Selective Service registration-status statement for certain state-funded financial assistance. Selective Service registration is not a federal Title IV student-aid eligibility requirement.

2 Select one registration-status statement

Use the option that accurately describes your Selective Service status. Visit sss.gov to register, verify registration, or review who must register.

- ☐ I was assigned female at birth and am not required to register.
- ☐ I was assigned male at birth, am under age 18, and am not currently required to register.
- ☐ I was assigned male at birth and am registered with the Selective Service System.
- ☐ I was assigned male at birth, am age 18 or older, am not registered, and am not exempt from registration.
- ☐ I was assigned male at birth and am exempt from registration.

DOCUMENTATION MAY BE REQUIRED

Financial Aid may require documentation to verify your Selective Service status based on the selected registration-status statement. Documentation may include proof of registration, evidence of exemption, or other supporting records.

If you select Option 2, 3, 4, or 5, you must upload the required documentation through the Workday action item assigned to you.

Failure to provide requested documentation may delay the review and processing of your financial aid eligibility.
