Purpose of this Guide

This manual is intended to aid and serve as a “how to” guide for using eConnect to access your Dallas County Community College District (DCCCD) Online Services Sign-In ID. The result screen will display your 7-digit Student/Employee ID in addition to your Online Services Sign-In ID.

Find the eConnect Screen

1. Start by going to <https://eConnect.dcccd.edu>
2. Select a relevant constituency menu (i.e. Student, Employee or Faculty).
3. In the **My eConnect Account** sub-menu, choose **Get My Student/Employee ID**.

Enter all Required Information

4. Enter your **Last Name** on file with the DCCCD.
5. Enter your **Birth Date** in MMDDYY format.
6. Enter your **SSN** without dashes. *

*Some students do not have an SSN on file with the DCCCD. They cannot obtain their Online Services Sign-In ID through this process. To retrieve this information, students should contact their preferred College Registrar's office.
