

DATA FRIENDS 3.0

Building the College of the Future: Driving Workforce Impact

Hosted by Dallas College Research Institute and Student Success Professional Development

THURSDAY, SEPTEMBER 17
8:30AM - 4:00PM

BILL J. PRIEST
ROOM 1530

NO COST
TO ATTEND

REGISTER WITH THE QR CODE

Seating is limited. Please register
by Friday, September 11, 2026.

Use research, data, and new technology to strengthen student success and workforce outcomes. Identify opportunities, align education and workforce needs, and turn insights into action to drive impact across Dallas College and North Texas.

Whether you're a returning "data friend" or new attendee, this day is designed to spark fresh ideas, build partnerships and advance our collective mission.

Let's celebrate the power of data together.
We can't wait to see you!
