I, Joe D. Names of providers considered and/or recommended for awards in this agenda appear following this paragraph. If uncertain about whether a conflict of interest exists, the chancellor or trustee may consult with DCCCD Legal Counsel Robert Wendland.

Cooper General Contractors	\$1,069,823

RECOMMENDATION FOR AWARD:

COOPER GENERAL CONTRACTORS \$1,069,823

LOW BID MEETING SPECIFICATIONS

BACKGROUND:

On September 3, 2013, the board of trustees approved the award of a construction contract for accessibility upgrades at the R Building, P Building, and Bill J. Priest Institute.

COMMENTS: This is to rescind award to the low bidder due to their misinterpretation of the specifications and apparent failure to include all components of the work.

> Award to the second low bidder is not recommended because none of the references responded when contacted; in addition, documentation requested to substantiate bid pricing was not provided.

Re-award of this item is recommended to the third lowest bidder resulting in an increase of \$286,668.

Based on 15% of the awarded amount, a contingency fund of \$160,473 is recommended for unforeseen changes to this project. It is further recommended that the executive vice chancellor of business affairs be authorized to approve change order(s) in an amount not to exceed the contingency fund.

Administration further recommends the district director of purchasing services be authorized to execute contracts for this project.

(Tab 2) RECOMMENDATION FOR AWARD – RFP NO. 12078 MAIL ROOM/COPY CENTER EQUIPMENT AND MANAGEMENT PRICE AGREEMENT, NORTH LAKE AND RICHLAND COLLEGES APRIL 1, 2014 THROUGH AUGUST 31, 2017

RESPONSE: Requests for proposals were sent to 115 entities, and three responses were received.

COMPARISON OF PROPOSALS:

\$856,544
\$911,182
\$1,165,459
\$1,207,122
\$1,271,121
\$1,465,299

RECOMMENDATION FOR AWARD:

KONICA MINOLTA BUSINESS	(41-month estimate)
SOLUTIONS U.S.A., INC.	\$856,544

LOW AND BEST PROPOSAL

COMMENTS:	This award covers the following:	
	1. high-speed copier equipment	\$138,180
	2. equipment usage and supply charges	\$167,237
	3. management fees (including	\$551,127
	operations staff)	

Total \$856,544

This recommendation, in the opinion of the evaluation team, is for the most productive and efficient system that will best serve the interests of each college. It represents the lowest and best offer based on an optimal mix of the company's qualifications, experience, ability to provide the services, and costs.

The estimated total cost is based on the purchase of the equipment, current copy and print volumes, and monthly management fees. The actual service click cost will depend on the volume of copies imaged during the term of the contract.

The term of this agreement is 41 months to align this award with the current district-wide price agreement for photocopiers and supplies, enabling both to be combined on the next solicitation.

Administration further recommends the district director of purchasing services be authorized to execute contracts for this project.

(Tab 3) RECOMMENDATION FOR AWARD – BID NO. 12079 ADA ACCESSIBILITY UPGRADES RICHLAND COLLEGE

Based on 15% of the awarded amount, a contingency fund of \$286,167 is recommended for unforeseen changes to this project. It is further recommended that the executive vice chancellor of business affairs be authorized to approve change order(s) in an amount not to exceed the contingency fund.

Administration further recommends the district director of purchasing services be authorized to execute contracts for this project.

RECOMMENDATION FOR AWARD FOR PROFESSIONAL (Tab 4) SERVICES TO PROVIDE WEBSITE BRANDING AND MARKETING SERVICES LECROY CENTER

RECOMMENDATION FOR AWARD:

AGENCY CREATIVE, INC.

\$101,450

COMMENTS: The recommended vendor was selected from a group of three firms that submitted proposals to develop website branding and marketing plans for the new Dallas Learning Solutions (formerly Dallas TeleLearning). That scope of work has been completed.

> This award will enable the vendor to create, develop, implement, and launch the communication plan developed in the initial agreement. The plan incorporates the environmental scanning, creative direction, and strategic approach necessary to achieve the program's objectives. Citizens Desiring to Address the Board Regarding Agenda Items

Mrs. Dorothy Zimmerman referenced Bid 12070, commenting that she was uncertain why an estimated \$4 million in furniture would be needed when 30% of all student enrollments were in online courses. A further comment was made on Bid 12074 and Bid 12075, noting a question on how much of the cost would be absorbed through insurance claims.

Mr. Anthony Rodriguez added his concern on Bid 12070 regarding furniture to be purchased, and questioned the recommended adoption of #14 in lieu of a policy which would allow students having a concealed carry license to carry guns on campus.

Opportunity for Chancellor and Board Members to Declare Conflicts of Interest Specific to this Agenda

There were none noted.

Trustee Compton moved and Trustee Jameson seconded a motion to approve Items #1-3. Motion passed, with Trustee Metzger voting no.

2 ADMINISTRATION AND STATUTORY AUTHORITY

- 2.1 Antoinette "Toni" Pippins-Poole ("Toni Pippins-Poole") is the duly appointed County Elections Administrator ("Elections Administrator") of Dallas County, Texas ("County") and the Department Head of the Dallas County Elections Department ("DCED"). As such, Mrs. Pippins-Poole is the County Election Officer of Dallas County, Texas and is authorized by Subchapter D of Chapter 31 of Title 3 of the Texas Election Code to enter into this Election Services Contract with the contracting authorities of the Participating Political Subdivisions listed in Section 1 of this Election Services Contract.
- 2.2 THE CONTRACTING AUTHORITIES OF THE PARTICIPATING POLITICAL SUBDIVISIONS LISTED IN SECTION 1 OF THIS ELECTION SERVICES CONTRACT ARE HEREBY PARTICIPATING WITH EACH OTHER IN THE JOINT ELECTION TO BE HELD IN DALLAS COUNTY, TEXAS ON MAY 10, 2014

Printed 2/27/2014 2:30 PM

UNDER CHAPTER 271 OF TITLE 16 OF THE TEXAS ELECTION CODE ("JOINT ELECTION") AND ARE HEREBY CONTRACTING WITH THE ELECTIONS ADMINISTRATOR OF DALLAS COUNTY, TEXAS TO PERFORM THE ELECTION SERVICES SET FORTH IN THIS ELECTION SERVICES CONTRACT UNDER SUBCHAPTER D OF CHAPTER 31 OF TITLE 3 OF THE TEXAS ELECTION CODE.

2.3 DCED will coordinate, supervise, and handle all aspects of administering the Joint Election in accordance with the provisions of the Texas Election Code and as outlined in this Election Services Contract. Each contracting authority of each Participating Political Subdivision will pay DCED for the equipment, supplies, services, and administrative costs outlined in this Election Services Contract. The Elections Administrator and DCED will administer the election; however, each Participating Political Subdivision will be responsible for the lawful conduct of their own election.

3 **LEGAL DOCUMENTS**

- 3.1 Each Participating Political Subdivision will prepare, adopt, and publish all legally required election orders, resolutions, notices, and other documents that are required by, or of, their governing bodies. Each Participating Political Subdivision must send DCED a copy of any election order, resolution, or notice related to this Joint Election within three business days of publishing, adopting, or ordering it.
- 3.2 Each Participating Political Subdivision is responsible for having its own election orders, resolutions, notices, or official ballot wording translated into the Spanish language.

4 VOTING SYSTEMS

- 4.1 Each Participating Political Subdivision agrees that, during this Joint Election, voters will cast their ballots on three different kinds of voting systems, each of which must be approved by the Texas Secretary of State in accordance with the Texas Election Code and the Texas Administrative Code: Direct recording electronic voting machines ("DRE"); an optical scanner voting system ("optical scan"); and a voting system accessible to voters with physical disabilities ("ADA Terminals"). On Tuesday, April 22, 2014 at 10:00 A.M., at the County Elections Department at 2377 N. Stemmons Frwy, Suite 820, Dallas, Texas, DCED will test the DRE voting system and the automatic tabulating equipment used for counting ballots at the central counting station. On Monday, April 7, 2014 at 10:00 A.M. at the County Election Equipment Warehouse at 1506 East Langdon Road, Hutchins, Texas, DCED will test the optical scan voting system. At least 48 hours before the date and hour of each test, DCED will publish a newspaper notice with the date, hour, and place of the testing. DCED will establish nine regional collection sites and a central counting station to receive and tabulate the regular ballots that are cast in this Joint Election and receive the provisional ballots as outlined in Section 9 of this Election Services Contract.
- 4.2 DCED agrees to provide DREs, precinct ballot counters, and voting booths for the Joint Election. Each polling place will have at least one Americans with Disabilities Act ("ADA") Terminal. During the early voting period, each early voting polling place will have no more than two master personal electronic ballot ("PEB") devices and eight iVotronic

DRE machines. On Election Day, voting booths will allocated to the polling places using a formula of one voting booth for each 300 registered voters per election precinct or partial election precinct, but no more than six voting booths per polling place. Each election day polling place will have at least one precinct ballot counter.

4.3 The costs for this Joint Election are specified in "Attachment A". DCED estimates that 1,300 voting booths, 380 precinct ballot counters, 290 iVotronics, 380 ADA Terminals, and Master PEB's will be needed to conduct the May 10, 2014 Joint Election. The cost of the direct record voting system for the election will be determined by multiplying the total number of iVotronics by \$250.00 each, and ADA Terminals by \$300.00 each. There will be no charge for Master PEBs. The cost for the use of the Gemini voting booths will be \$35.00 each. The cost for the use of the precinct tabulators will be \$468.00 each. All of the Participating Political Subdivisions agree that ADA Terminals will be used during the Joint Election under the Help America Vote Act of 2002 ("HAVA") and that the ADA Terminals will be part of this Election Services Contract.

5 **POLLING PLACES**

- 5.1 "Attachment B" contains the proposed polling places for this Joint Election. DCED will select and arrange for the use of and payment for all polling places, subject to the approval of each Participating Political Subdivision. Whenever possible, polling will be in the usual polling places for the election precincts and partial election precincts. Election precincts and partial election precincts may be combined by mutual agreement between the Participating Political Subdivisions that would be affected by the combination. If a polling place is not available, then DCED will arrange for an alternate polling place, with the approval of each Participating Political Subdivision affected by the change. DCED will notify each Participating Political Subdivision of any changes to the polling places listed in "Attachment B".
- 5.2 DCED will send each Participating Political Subdivision a final version of "Attachment B", that specifies the actual polling places for Election Day on May 10, 2014. For polling places that have changed since the most recent election ordered by a Participating Political Subdivision, DCED will mail registered voters affected by the changes notice of their new polling place location.

6 ELECTION JUDGES, ALTERNATE ELECTION JUDGES, ELECTION CLERKS, AND OTHER ELECTION PERSONNEL

- 6.1 DCED will be responsible for the appointment of the presiding election judge and alternate election judge for each polling place, subject to the approval of each Participating Political Subdivision. DCED will arrange for the training of all of the presiding election judges and alternate election judges. The proposed presiding election judges and alternate election judges are listed in "Attachment C" of this Election Services Contract. If a person is unable or unwilling to serve as a presiding election judge or an alternate election judge, DCED will name a replacement presiding election judge or alternate election judge for the polling place and notify each Participating Political Subdivision affected by the change.
- 6.2 In compliance with the Federal Voting Rights Act of 1965, as amended, precincts

containing more than 5% Hispanic population, according to the 2010 census statistics, are required to have interpreter assistance. If a presiding judge of such a precinct is not bilingual and is unable to hire a bilingual clerk, DCED may recommend an individual to provide interpreter assistance. If DCED is unable to recommend an individual to provide interpreter assistance for such a precinct, DCED will notify the participating political subdivision, which will then be responsible for recommending an individual to provide interpreter assistance for such a precinct. In the event that a bilingual clerk is hired by DCED for a precinct required to have interpreter assistance, the bilingual clerk will be paid according to a rate set by DCED. DCED will charge that expense to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in Section 1 of this Election Services Contract. A Participating Political Subdivision may pay a greater amount of money to a bilingual clerk than the rate set by DCED, however that expense will be borne by that Participating Political Subdivision individually and that expense will not be charged to the funds deposited with the Dallas County Treasurer for the conduct of the elections listed in Section 1 of this Election Services Contract.

- 6.3 DCED is responsible for notifying all of the presiding election judges and alternate election judges about the eligibility requirements of Subchapter C of Chapter 32 of Title 3 of the Texas Election Code and Section 271.005 of the Texas Election Code. DCED will take the necessary steps to insure that all of the presiding election judges and alternate election judges appointed to serve during the Joint Election are eligible to serve and qualified to serve in this Joint Election. Under Section 32.031 of the Texas Election Code, the presiding election judge for each election precinct shall appoint the election clerks to assist the presiding election judge in the conduct of the election at the polling place served by the presiding election judge on Election Day.
- 6.4 If a Participating Political Subdivision recommends a person not listed in "Attachment C", and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that precinct, DCED will conduct a drawing by lot from the recommendations to determine the election judge. Once a person has been notified of his or her selection as an election judge, no changes may be made by any of the Participating Political Subdivisions, unless that person becomes ineligible to serve as an election judge in the Joint Election.

DCED will send each of the joint Participating Political Subdivisions an updated version of "Attachment C" which reflects the names of judges who were sent the letter requesting service for this election. A final version for "Attachment C" which reflects the name of the judges who actually presided on the day of the election will be sent to each Participating Political Subdivision.

Printed 2/27/2014 2:30 PM

OCED will hold two (2) public schools of instruction on the use of optical scan card voting equipment, ADA terminals and election laws on Saturday, May 3, 2014 from 10am – 12pm, and Thursday, May 8, 2014, from 7pm - 9pm in the Central Jury Room, Frank Crowley Courthouse, 133 N. Industrial Blvd, Dallas, Texas 75207. Election Judge training labs are scheduled for Thursday, May 1, 2014 from 10am – 4pm, Saturday, May 3, 2014 from 9am – 4pm, Tuesday, May 6, 2014 6pm – 9pm, Friday, May 9, 2014 from 10am – 2pm at 2377 N. Stemmons Frwy. 8th Floor, Dallas, Texas 75207. No election judge will be appointed unless he/she has attended an election judge training session and a mandatory Voter ID law training session taught by DCED in the past eighteen (18) months and on the optical scan and direct record systems. However, participating political subdivisions may request that judges appointed for the Joint Election should attend one of the scheduled training sessions.

The election judges are responsible for picking up election supplies at the time and place determined by DCED (which will be set forth in the election judge letter requesting service for this election). Each election judge will receive \$9.00 per hour and each clerk will receive \$8.00 per hour (for a maximum of 14 hours). The election judge will receive an additional \$25.00 for picking up the election supplies prior to Election Day and for delivering election returns and supplies to their designated regional drop off site.

Any entity electing to pay their election workers for attending a training class or lab must bear that expense separately from the funds deposited into the Joint Election account.

6.6 DCED will employ other personnel necessary for the proper administration of the election, including such part-time help as is necessary to prepare for the election, to ensure the timely delivery of supplies and equipment assistance during the period of Early Voting and on Election Day, and for the efficient tabulation of ballots at the central counting station and regional sites. Part-time personnel will be paid an amount agreed to by the Participating Political Subdivisions as specified in "Attachment A".

Part-time personnel working in support of the central counting station and regional sites on election night will receive pay for at least four hours, minimum call for service, regardless of the actual hours worked. ("Attachment F)

The list must include the ballot positions for the candidates and the propositions. The list must include the correct spelling of each candidate's name and the precise wording of all of the propositions. DCED will email each Participating Political Subdivision a Microsoft

Printed 2/27/2014 2:30 PM

Word format form for their use to create the required list. As soon as possible after each Participating Political Subdivision has determined its ballot positions for the candidates and propositions in its election, the Participating Political Subdivision must email the completed Microsoft Word format form to DCED. DCED will use these electronic forms received from the Participating Political Subdivisions to create the ballot styles for the Joint Election. DCED will deliver the proposed ballots to the Participating Political Subdivisions for approval. Each Participating Political Subdivision will be responsible for proofreading the proposed ballots and notifying DCED of any corrections that are required for their particular ballots. DCED is responsible for implementing the corrections made by the Participating Political Subdivisions to their ballots and then producing the ballots for this Joint Election, subject to Section of the Texas Election Code.

8 OPTICAL SCAN CARD BALLOTS

- 8.1 DCED will allocate ballots for this Joint Election by determining the approximate voter turnout for comparable elections in each election precinct or partial election precinct and then adding 35% to that number for each election precinct or partial election precinct. However, the minimum ballot allocation for each election precinct or partial election precinct will be 25% of the registered voters in each election precinct or partial election precinct.
- 8.2 Approximately 5,000 additional ballots will be available for Early Voting by Mail and for use on Election Day to respond to any polling place that requests additional ballots.

9 RETURNS OF ELECTIONS

The Counting Station Manager will be responsible for releasing cumulative totals and election precinct returns from the election to the Participating Political Subdivisions, candidates, press, and the general public by the distribution of hard copies or electronic transmittals (where

- accessible). DCED will operate an election result center to release election results in the Health and Human Services Building, 2377 N. Stemmons Frwy., Suite 820, Dallas, Texas. Any Participating Political Subdivision, upon request, may require release of returns be given only at a specified location other than from the result center. Any participating entity that would like the DCED web-site linked to their web-site must provide their web-site address to the Tabulation Supervisor.
- 9.4 DCED will prepare the unofficial canvass report after all precincts have been counted, and will email a copy of the unofficial canvass to each Participating Political Subdivision as soon as possible after all returns, provisional ballots, and late overseas ballots have been tabulated, but in no event no later than 10:00 A.M. Monday, May 19, 2014. All Participating Political Subdivisions will be responsible for the official canvass of their respective elections.
- 9.5 DCED will be responsible for conducting the post-election manual recount, unless the Texas Secretary of State grants a waiver under Section 127.201 of the Texas Election Code. If no such waiver is given, DCED will provide notice and copies of the recount to each Participating Political Subdivision and the Secretary of State's Office. Each Participating Political Subdivision must notify DCED if such a waiver has been granted or denied as soon as possible, but no later than Monday, April 23, 2014.

10 **ELECTION EXPENSES**

- 10.1 The Participating Political Subdivisions agree to share the costs of administering the May 10, 2014 Joint Election. A general supervisory fee not to exceed 10% of the total cost of the election will be assessed as authorized by the Texas Election Code, Sec. 31.100. Allocation of costs, unless specifically stated otherwise, is mutually agreed to be shared according to a formula which is based on average cost per polling place ("Unit Cost") as determined by adding together the overall expenses and dividing expenses equally among the total number of polling places. Any Participating Political Subdivisions requesting a combination of polling places which exceeds the Unit Cost, will be billed directly for any excess expenditures (e.g. supplies, equipment, personnel, etc.). The cost of any special request from a Participating Political Subdivision, which is not agreed upon by all Participating Political Subdivisions, will be borne by the Participating Political Subdivision agrees that no Participating Political Subdivision will be billed less than the minimum of one full unit cost as specified in "Attachment A".

DCED will provide each Participating Political Subdivision with a final, written accounting of all money that was deposited into, and payments that were made from, the Joint Election account maintained by the Dallas County Treasurer for this Joint Election.
- 10.4 If DCED requires additional money to perform its obligations under this Election Services

After all of the expenses of this Joint Election are paid, any monies that remain in the account maintained by the Dallas County Treasurer for this Election Services Contract will be refunded to the Participating Political Subdivisions.

11 **DEPOSIT OF FUNDS**

- 11.1 Each Participating Political Subdivision hereby agrees to deposit with the Dallas County Treasurer's Office the full balance of money listed in the next section of this Election Services Contact by Friday, April 4, 2014. The Dallas County Treasurer's Office will place the money deposited by the Participating Political Subdivisions in a Joint Election account. DCED will only draw money from this Joint Election account to pay for election expenses that are included in this Election Services Contract and for other expenses that the Participating Political Subdivisions agree to in writing. If a Participating Political Subdivision withdraws completely from the Joint Election by Wednesday, March 5, 2014, then DCED will refund that Participating Political Subdivision's deposit, less any money already expended before the withdrawal. However, DCED will not make partial refunds to a Participating Political Subdivision if any candidate(s) or propositions will appear on the ballot for that Participating Political Subdivision.

Dallas County Record Storage will be responsible for the destruction of the Joint Election records after the preservation period. DCED will provide each entity a letter of destruction.
- 12.4 The Participating Political Subdivisions must notify DCED in writing within three calendar days after any official or employee of any Participating Political Subdivision becomes aware of any election contest in connection with this Joint Election. The election records must be preserved until any election contest is completed and a judgment, if any, becomes final. See Section 1.013 of the Texas Election Code.

13 EARLY VOTING

13.1 Under Sections 31.094 and 271.006 of the Texas Election Code, the Participating Political Subdivisions hereby appoint the Elections Administrator to be the early voting clerk for all of the political subdivisions participating in this Joint Election. The Elections Administrator may appoint deputy early voting clerks and judges, subject to the approval of the contracting authorities of the Participating Political Subdivisions. If a Participating Political Subdivision recommends a person not listed in "Attachment D", and that recommendation conflicts with the recommendation from any of the other Participating Political Subdivisions involved in the election in that precinct, DCED will conduct a drawing by lot from the recommendations to determine the deputy early voting judge/clerk.

Once a person has been notified of his or her selection as deputy early voting judge or clerk, no changes may be made by any of the Participating Political Subdivisions.

The recommended deputy early voting judges and clerks for the main and branch early polling places are listed in "Attachment D". DCED will request the Dallas County Human Resource Department to conduct a criminal background check of election officials, staff and temporary workers who are hired to work in this election.

NOTES

A column titled "Control Limits" appears in the two spreadsheets, *Revenues & Additions* and *Expenditures & Uses by Function*, to illustrate the method of analysis. This column contains plus and minus two standard deviations of the mean for each line item. If the entry is "n/a", this is a line item that aggregates differently in the new format for the budget report and/or there is no historical data yet available.

- (1) Actual *Investment Income* reflects a higher percent of budget due to a larger proportion of unrestricted funds in the investment pool.
- (2) Total Unrestricted is slightly over the control limit because the Taxes for Current Operations percent of budget are at the higher end of the control limits due to the recent tax increase.
- (3) & (4) Actual Auxiliary Fund Investment Income and Richland Collegiate High School Investment Income are slightly higher than normal percent of budget. This is due primarily to the growth in the size of the investment portfolio throughout this past year.
- (5) Auxiliary Transfers-out is higher than the control limits due to the Enterprise Scholarship transfer that was approved by the Board of Trustees on November 5, 2013.

Notice of Grant Awards (March 2014)

Most of the grants in the *Notice of Grant Awards* report are from government agencies. Occasionally, a private donor may direct a gift to DCCCD rather than to DCCCD Foundation, Inc., in which case the gift from the private donor is included in *Notice of Grant Awards*.

Funding agencies define fiscal years for each grant, which often do not align with DCCCD's fiscal year. DCCCD administers grants in accordance with requirements of the funding agency and its own policies and procedures.

INFORMATIVE REPORT NO. 29

Submission of Annual Racial Profiling Reports

In compliance with the state racial profiling law, each college police department of the District is required to submit an annual report to the Board of Trustees, in addition to submitting it to the Texas Commission on Law Enforcement Standards and Education ("TCOLE"). These reports contain data that was gathered from stops made by campus police in their police vehicles during the 2013 calendar year. This data is categorized by ethnicity. El Centro College is exempt from the racial profiling law since the college does not make traffic stops.

Policy Reminders

Board policies pertinent to evaluating a recommendation for approving racial profiling reports include:

A College District police department shall compile and analyze the incident-based data contained in each report received by the department. Not later than March 1 of each year, each College District police department shall submit a report containing the information compiled during the previous calendar year, in accordance with Code of Criminal Procedure 2.134, to the TCOLE and to the governing body of each county or municipality served by the department. CHA (LEGAL), SITE MANAGEMENT SECURITY: MOTOR VEHICLE STOPS: REPORTS REQUIRED

A peace officer and College District's chief of police are exempt from the reporting requirements described above if:

- 1. During the calendar year preceding the date that the department's report is required to be submitted:
 - a. Each law enforcement motor vehicle regularly used by an officer employed by the department to make motor vehicle stops is equipped with video camera and transmitter-activated equipment and each law enforcement motorcycle regularly used to make motor vehicle stops is equipped with transmitter-activated equipment; and
 - b. Each motor vehicle stop made by an officer employed by the agency that is capable of being recorded by video and audio or audio equipment, as appropriate, is recorded by using the equipment. CHA (LEGAL), SITE MANAGEMENT SECURITY: MOTOR VEHICLE STOPS: EXEMPTION
